Since 1983, SORP has been serving the outdoor recreation profession. It is the Nation’s leading association of outdoor recreation and related professionals who strive to protect our natural and cultural resources while providing sustainable recreation access.

SORP OBJECTIVES

As a 501(c)(3) non-profit organization, the role of SORP is to:

- Facilitate information sharing.
- Advance educational and professional development.
- Develop and voice a united position on outdoor recreation concerns.
- Promote scholarship and advancement for students and young professionals.
- Recognize and share excellence in Statewide Comprehensive Outdoor Recreation Plans.

SORP MEMBERSHIP

Individual and group rates available as well as discounted rates for students and retirees.

STEVE SHERWOOD
Retired Director of Recreation, Heritage, and Wilderness Resources
USDA Forest Service, Rocky Mountain Region

“SORP gets me out of my little world to see what others are doing.”
GLENNA HAAAS
Aukerman, Hass and Associates

“The conference was one of the best I have been to over the past 30 years. The variety of speakers and topics were amazing and energizing. I only regret that I have not been attending these for the past few years.”
STEVE SHERWOOD
Retired Director of Recreation, Heritage, and Wilderness Resources
USDA Forest Service, Rocky Mountain Region

“The representative role that you serve is very important to me. Thank you for being there, and for representing our professional perspective and informed concerns in land management issues.”
MARCIA DECHADENEDES
Bureau of Land Management
