

**SCORP Workshop  
March 28-29, 2023  
Asheville, NC**

Purpose: Foster connection, learning, networking, and professional development among SCORP planners, researchers, and consultants

Objectives:

- Create shared understanding of the purpose of SCORPs, both for LWCF funding and for addressing evolving outdoor recreation needs in a state
- Highlight best practices and adaptations in developing and implementing SCORPs
- Identify opportunities and barriers for consistent baseline data collection and analysis across states

Audience: State SCORP planners, state offices of outdoor recreation, university researchers and professors, SCORP consultants

States highlighted: NC, TN, CO, KS, WY, OR, AK

**Tuesday, March 28**
